Burcham Hills marks 45th year in health care, senior living options

With a \$29 million expansion in the works, Burcham Hills of East Lansing will celebrate its 45th year of service at an anniversary event Friday, April 12.

"With every year and every milestone, Burcham Hills improves its ability to serve the community," says **Pam Ditri**, executive director. "We continue to make significant investments to offer health care, rehabilitation and senior living options that our community wants and needs."

Construction on the first phase of its expansion, StoneBriar at Burcham Hills, began earlier this year with significant areas of the existing Burcham Hills building being renovated or enhanced, including a new dining venue with outdoor seating, wellness and activity spaces, salon and spa, group exercise areas with fitness and strength equipment and a multipurpose space for residents. When the entire \$29 million project is completed, StoneBriar at Burcham Hills will also feature 44 new upscale entrance fee independent living apartments with either a patio or balcony, underground parking and a new main entrance with porte-cochere.

Burcham Hills was recognized for excellence with a 5-star rating from Centers for Medicare & Medicaid Services (CMS) for the past three years.

Founded in 1974, Burcham Hills®, a not-for-profit, Life Plan Community, offers quality independent living, assisted living and memory care in The Resident Center at Burcham Hills, and short-term rehabilitation and skilled nursing care in The Center for Health & Rehabilitation at Burcham Hills. Burcham Hills also offers onsite physical, occupational and speech therapy to the public in The Outpatient Therapy Clinic at Burcham Hills. The Foundation at Burcham Hills, a not-for-profit 501(c)(3), was incorporated in 1998 and accepts tax-deductible contributions from businesses and individuals.
